

Dear Friends:

On Monday, October 10th, please join us for the 6th Annual John Brogle Golf Outing to benefit the Florida Chapter.

For the past 29 years, The Foundation, a 501 (c) (3) not for profit organization, has been dedicated to fulfilling the special wishes of children between three (3) and seventeen (17) years of age who have been diagnosed as having a life threatening or terminal illness. We have granted over 6,000 wishes in 12 states with 9 chapters.

Our 2011 goal is to rebuild our financial resources to continue supporting the much needed 2nd wish program which we were able to bring back in mid-2010. These are the children whose medical options have been exhausted and were just receiving palliative care. How heartbreaking that for over two years we were not able to grant these children and their families a moment of happiness just when it is greatly needed. Please help us realize our goal so that these 2nd wish children will not ever be turned away again because of funding shortage.

Think of these wish children by supporting the John Brogle Golf Outing, any of our fundraising events, making a general donation or sponsoring a specific wish.

Come support the efforts of our devoted volunteers who have made a special place in their lives to help our young children to make them feel so very special.

For our special children, join us on October 10th for a wonderful day of golf while raising much needed funds. Bring a friend or a foursome or two! Send in your reservation as early as possible!

Thank you!
